Davisboro railroad crossing closure and detour beginning Monday

WHAT: Concrete panel replacement will close the State Route (SR) 231/Main Street railroad crossing in Davisboro next Monday and Tuesday. The minor detour will take the traveling public around barricades via West McCoy Street and West Brown Street to reconnect with SR 231, while the Norfolk Southern crossing undergoes the rehab.

Posted signage will direct motorists during this time. The barricades will be close to the crossing, so local traffic will have access as needed.

WHEN: Monday, Feb. 29 and Tuesday, March 1, weather permitting from 8 a.m. to 5 p.m.

WHERE: SR 231 crossing in Davisboro (Washington County)
